Declaration of commitment to the Recommendation of the European Commission on the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers

Faroese National Heritage welcomes and fully supports the initiative of the European Commission reflected in the Commission's Recommendation on the European Charter for Researchers and Code of Conduct for the Recruitment of Researchers (hereinafter referred to as: the Charter & - code).

By endorsing the Charter & Code, the Faroese National Heritage is fully in line with its policy aiming at making a researcher's career more attractive and at enhancing the quality of research and innovation. The signature of the Charter & Code is also a further commitment of our institution to foster international collaboration and interdisciplinary, intersectoral and transnational mobility by researchers.

By implementing the Charter & Code principles, the Faroese National Heritage intends to contribute to the realization of an open and attractive European labor market for researchers.
