

**WU (Vienna University of Economics and Business Administration) undersigns
“The European Charter for Researchers” and “The Code of Conduct for the Recruitment of
Researchers”**

Vienna, 25th of February 2006

The Rector's Council of WU welcomes the initiative of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers. Therefore the Rector's Council voted in favour of the Charter and Code published by the European Commission on March 11, 2005.

Many aspects of both, the Charter and the Code, have already been implemented at WU and the University will immediately begin to implement those elements of the Charter and the Code that have not yet been realised at WU.

For WU, the elements of the Charter and the Code are basic rules to support the work of researchers and to maintain the high quality of research.
