

**Declaration of Commitment to the Principles of the European Commissions's
Recommendation "The European Charter for Researchers" and The Code of Conduct for
the Recruitment of Researchers"**

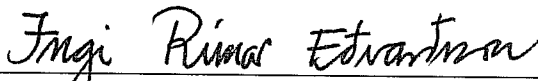

The University of Akureyri welcomes the initiative of the European Commission reflected in the Commission's Recommendation of 11 March 2005 "The European Charter for Researchers" and The Code of Conduct for the Recruitment of Researchers".

The University of Akureyri hereby declares commitment to the principles laid down in the Recommendation.

By signing up to the principles of the Recommendation the University of Akureyri will express it's intention to engage in the transnational effort to improve the conditions for researchers throughout Europe, promote elements that make research an attractive career, and work to enhance the quality of research and innovation by facilitation of international collaboration and transnational, interdisciplinary and intersectorial mobility of researchers.
